Dear Shareholder

Annual General Meeting

I am writing to inform you that an Annual General Meeting (the **AGM**) of Petro Matad Limited (the **Company**) will be held at 4.30 p.m. local time (8.30 a.m. GMT) on 5 February 2016 at Blue Sky Tower, Topaz Conference Hall, Peace Avenue 17, Sukhbaatar District, Ulaanbaatar, Mongolia. The formal notice of the AGM and resolutions to be proposed are set out on pages 5 to 7.

RESOLUTIONS TO BE PROPOSED AT THE AGM

ORDINARY BUSINESS

Annual Report and Accounts (Resolution 1)

Shareholders will be asked to receive and adopt the annual report and audited accounts of the Company for the year ended 31 December 2014 (the **Annual Report and Accounts**).

Re-appointment of Directors (Resolutions 2 to 3)

In accordance with Article 89, one third of the Directors of the Company are required to submit themselves for re-election at each annual general meeting of the Company. Accordingly, T. Amarzul and John Henriksen being the Directors who have been longest in office since their appointment or last re-appointment, shall retire and be submitted for re-election.

Brief biographical details of each of the Directors standing for re-election appear at Appendix 1. The Board has considered the position of the Directors and recommends their re-election.

SPECIAL BUSINESS

Amendments to the Articles – disapplication of pre-emption rights (Resolution 4)

We are asking shareholders to approve certain amendments to our Articles in relation to the renewal of the authority to disapply pre-emption rights. Resolution 4 will be proposed as a special resolution.

It is possible that in order to meet its probable future financing requirements, the Company may decide to seek to raise funds by way of one or more non pre-emptive issues of shares for cash.

Petro Matad Limited
(Isle of Man Company 1483V)

Under Article 6 of the existing Articles, the Directors require authority from Shareholders to allot shares without first offering them to existing Shareholders in proportion to their existing holdings. Resolution 4, if passed will replace the existing disapplication of pre-emption rights set out in Article 6.4 with substitute authority to the Directors to disapply the pre-emption rights for issues of Ordinary Shares:

- (a) paid up otherwise than in cash;
- (b) pursuant to awards granted under the Company's long term incentive plan or any other share option scheme adopted by the Company; and
- (c) in addition to (a) and (b) up to 200,000,000 Ordinary Shares.

Such authority, if given, will expire at the conclusion of the next annual general meeting of the Company in 2016 or 2017, without prejudice to the allotment of shares pursuant to any offer or agreement made or entered into prior to such expiry. The replacement of the current Article 6.4 shall be without prejudice to the allotment of shares pursuant to offers or agreements made under the current authority.

Copies of the existing Articles and the new Articles will be available for inspection during normal business hours at the registered office of the Company until the date of the AGM or upon request. Copies will also be available at the AGM until its conclusion.

Amendments to the Articles – origination of notices and receipt of proxy instruments (Resolution 5)

We are asking shareholders to approve certain amendments to our Articles in relation to giving flexibility to directors to authorise notices not have to necessarily originate from outside the United Kingdom and for instruments in writing appointing proxy not to have to necessarily be received in the Isle of Man. Resolution 5 will be proposed as a special resolution.

Indeed, it has been found that the requirements to have all notices originating from outside the United Kingdom and for instruments in writing appointing proxy to have to be received in the Isle of Man could be cumbersome without bringing any clear advantages to the Company. Accordingly, it is felt more efficient to allow directors on a case by case basis to authorise notices to originate from the United Kingdom and for instruments in writing appointing proxy not to have to be received in the Isle of Man.

Copies of the existing Articles and the new Articles will be available for inspection during normal business hours at the registered office of the Company until the date of the AGM or upon request. Copies will also be available at the AGM until its conclusion.

Authority to make market purchases (Resolution 6)

Article 14.1(b)(iii) provides that the shareholders may grant a general mandate to the Directors to exercise all of the powers of the Company to repurchase such number of shares in the open market as the shareholders may so authorise. On 21 November 2014, the Company passed a special resolution granting the Directors a general mandate to repurchase shares in the open market with an aggregate nominal value of not more than 15 per cent of the aggregate nominal value of the share capital of the Company in issue as at 29 October 2014. This general mandate will expire at the conclusion of the AGM.

Petro Matad Limited
(Isle of Man Company 1483V)

Resolution 6, which will be proposed as a special resolution, will if approved, renew the existing share repurchase authority. It is proposed that the Directors be granted a general mandate to exercise all of the powers of the Company to repurchase shares in the open market with an aggregate nominal value of not more than 15 per cent of the aggregate nominal value of the share capital of the Company in issue at the date hereof. Pursuant to the Articles, this general mandate will continue in force until the earlier of (a) the conclusion of the Company's next annual general meeting in 2016 or 2017 or (b) the revocation or variation of this general mandate by a subsequent special resolution.

ACTION TO BE TAKEN

You will find enclosed a form of proxy for use at the AGM.

Please complete, sign and return the enclosed form of proxy as soon as possible in accordance with the instructions printed thereon, whether or not you intend to be present at the AGM. Forms of proxy should be returned either by post or, by hand, to: 6th Floor, Victory House, Prospect Hill, Douglas, Isle of Man IM1 1EQ or by email to externalproxyqueries@computershare.co.uk or via the CREST system, in each case so as to be received by the Company's registrars as soon as possible and in any event no later than 48 hours (not taking into account any part of a day which is not a working day) before the time appointed for holding the AGM. Completion and return of the form of proxy will not preclude you from attending the AGM and voting in person should you subsequently find that you are able to be present.

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the issuer's agent (ID number 3RA50) not later than 48 hours (not taking into account any part of a day which is not a working day) before the time appointed for holding the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

RECOMMENDATION

Your Directors consider that the proposals described in this letter are in the best interests of the Company and its Shareholders as a whole and unanimously recommend Shareholders to vote in favour of all the resolutions to be proposed at the AGM, as they intend to do (other than in respect of their own appointment as directors) in respect of their own beneficial holdings amounting in aggregate to 29,251,407 Ordinary Shares, representing approximately 10.18 per cent. of the Company's issued share capital.

Yours sincerely

D. Enkhmaa
Chairperson
