SPECIAL BUSINESS

Power of directors to allot shares (Resolution 5)

Under Article 5.1 of the Articles, the Directors may only allot such number of ordinary shares in the Company ("**Ordinary Shares**") as shall be prescribed from time to time by resolutions of the members. Pursuant to the annual general meeting of the Company held on 11 September 2013, the Directors currently have authority to allot such number of Ordinary Shares as may result in the Company having an issued share capital of 500,000,000 Ordinary Shares. As at the date of this notice, there are 333,258,252 Ordinary Shares in issue.

At the extraordinary general meeting of the Company to be held on 8 February 2017, a resolution will be proposed to give the directors authority to allot 186,587,629 Ordinary Shares in connection with a placing of, and subscription for, 186,587,629 Ordinary Shares (the "**Fundraising**"). If that resolution is passed and 186,587,629 Ordinary Shares are allotted and issued pursuant to the Fundraising, the Company will, immediately following completion of the Fundraising, have an issued share capital of 519,845,881 Ordinary Shares.

Resolution 5 will be proposed to grant a new authority to the Directors to allot Ordinary Shares and grant options, warrants or other rights over Ordinary Shares up to an aggregate nominal amount of US\$1,732,819.60. This amount represents approximately 33.3% of the expected total issued Ordinary Share capital of the Company immediately following completion of the Fundraising. The power conferred by this resolution will expire at the conclusion of the next annual general meeting of the Company or, if sooner, 15 months after the date of the passing of the resolution. This general authority will be subject to the pre-emption provisions in the Articles (as amended by Resolution 6 if passed).

Amendments to the Articles – disapplication of pre-emption rights (Resolution 6)

Under Article 6 of the existing Articles, the Directors have the power and authority (without the need for further approval from shareholders) to allot and issue ordinary shares in the Company (the Ordinary Shares on a non pre-emptive basis:

- (a) if they are, or are to be, paid up wholly or partly otherwise than in cash;
- (b) pursuant to awards granted under the Company's long term incentive plan or any other share option scheme adopted by the Company; and
- (c) otherwise than as provided in paragraphs (a) and (b) up to 00,000,000 Ordinary Shares.

In accordance with the Articles, this authority will expire at the end of the AGM of the Company.

It is possible that in order to meet future financing requirements, the Company may decide to seek to raise funds by way of one or more non pre-emptive issues of Ordinary Shares. We are asking

Petro Matad Limited
(Isle of Man Company 001483V)

shareholders to approve certain amendments to the Articles to renew the authority to disapply pre-emption rights on the issuing of Ordinary Shares. Resolution 6 will be proposed as a special resolution.

Resolution 6, if passed will replace the existing disapplication of pre-emption rights set out in Articles 6.4 and 6.5 of the existing Articles with substitute authority to the Directors to disapply the pre-emption rights for issues of Ordinary Shares:

- (d) if they are, or are to be, paid up wholly or partly otherwise than in cash;
- (e) pursuant to awards granted under the Company's long term incentive plan or any other share option scheme adopted by the Company; and
- (f) otherwise than as provided in paragraphs (a) and (b) up to 100,000,000 Ordinary Shares.

Such authority, if given, will expire at the conclusion of the next annual general meeting of the Company, without prejudice to the allotment of shares pursuant to any offer or agreement made or entered into prior to such expiry. The replacement of current Articles 6.4 and 6.5 of the Articles shall be without prejudice to the allotment of shares pursuant to offers or agreements made under the current authority contained in the existing Articles. Copies of the existing Articles and the new Articles will be available for inspection during normal business hours at the registered office of the Company until the date of the AGM or upon request. Copies will also be available at the AGM until its conclusion.

Authority to make market purchases (Resolution 7)

Article 14.1(b)(iii) provides that the shareholders may grant a general mandate to the Directors to exercise all of the powers of the Company to repurchase such number of shares in the open market as the shareholders may so authorise. On 9 December 2016, the Company passed a special resolution granting the Directors a general mandate to repurchase shares in the open market with an aggregate nominal value of not more than 15 per cent of the aggregate nominal value of the share capital of the Company in issue as at 2 November 2016. This general mandate will expire at the conclusion of the AGM.

Resolution 7, will be proposed as a special resolution and, if approved, will renew the existing share repurchase authority. It is proposed that the Directors be granted a general mandate to exercise all of the powers of the Company to repurchase shares in the open market with an aggregate nominal value of not more than 15 per cent of the aggregate nominal value of the share capital of the Company in issue at the date hereof. Pursuant to the Articles, if Resolution 7 is passed, this general mandate will continue in force until the earlier of (a) the conclusion of the Company's next annual general meeting or (b) the revocation or variation of this general mandate by a subsequent special resolution. The Directors currently have no present intention of exercising the authority granted pursuant to Resolution 7.

ACTION TO BE TAKEN

You will find enclosed a form of proxy for use at the AGM.

Please complete, sign and return the enclosed form of proxy as soon as possible in accordance with the instructions printed thereon, whether or not you intend to be present at the AGM. Forms of proxy

Completion and return of the form of proxy will not preclude you from attending the AGM and voting in person should you subsequently find that you are able to be present.

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the issuer's agent (ID number 3RA50) not later than 48 hours (not taking into account any part of a day which is not a working day in the Isle of Man) before the time appointed for holding the AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 18(4)(a) of the Uncertificated Securities Regulations 2006 of the Isle of Man (SD No. 743/06).

RECOMMENDATION

Your Directors consider that the proposals described in this letter are in the best interests of the Company and its Shareholders as a whole and unanimously recommend shareholders to vote in favour of all the resolutions to be proposed at the AGM, as they intend to do (other than in respect of their own appointment as directors) in respect of their own current beneficial holdings amounting in aggregate to 19,239,604 Ordinary Shares, representing approximately 5.77 per cent. of the Company's issued share capital at the date of this Notice.

Yours sincerely

Notes:

- 1 A member entitled to attend and vote at the Meeting is entitled to appoint one or more proxies to exercise all or any of the member's rights to attend, speak at and vote at the Meeting instead of him/her. A proxy need not be a member of the Company. If a member appoints more than one proxy in relation to the Meeting, each proxy must be appointed to exercise the rights attached to a different share or shares held by that member.
- 2 A Form of Proxy is enclosed with this notice. Completion and return of the Form of Proxy will not prevent a member from attending the Meeting and voting in person at the Meeting should they wish to do so.
- 3 To be effective, the Form of Proxy and any power of attorney or other authority under which it is signed (or a notarially certified copy of such authority) must be duly completed, signed and sent either by post, or, by hand, to: 6th Floor, Victory House, Prospect Hill, Douglas, Isle of Man IM1 1EQ or by email to externalproxyqueries@computershare.co.uk, or via the CREST system, in each case so as to be received by Computershare Investor Services (Jersey) Limited (ID number 3RA50), acting as the Company's agent not less than 48 hours (not taking into account any part of a day which is not a working day in the Isle of Man) before the time appointed for holding the Meeting or any adjournment thereof.
- 4 CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Meeting any adjournment(s) thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider should refer to their CREST sponsors or voting service provider(s), who will be able to take the appropriate action on their behalf.
- 5 In order for a proxy appointment or instruction made by means of CREST to be valid, the appropriate CREST proxy instruction must be properly authenticated in accordance with Euroclear UK & Ireland Limited's (**Euroclear**) specifications and must contain the information required for such instructions, as described in the CREST Manual. To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be transmitted so as to be received by the issuer's agent (CREST participation ID 3RA50) not later than 48 hours (not taking into account any part of a day which is not a working day in the Isle of Man) before the time appointed for holding the Meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.
- 6 The Company may treat as invalid a proxy instruction sent by CREST in the circumstances set out in Regulation 18(4)(a) of the Uncertificated Securities Regulations 2006 of the Isle of Man (SD No. 743/06).
- 7 CREST members and, where applicable, their CREST sponsor or voting service provider should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor or voting service provider are referred in particular to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- 8 To appoint as a proxy a person other than the Chairperson of the Meeting, a member must insert the proxy's full name in the box on the proxy form. If a member signs and returns a proxy form with no name inserted in

Petro Matad Limited
(Isle of Man Company 001483V)

- the box, the Chairperson of the meeting will be deemed to be the member's proxy. Where a member appoints as a proxy someone other than the Chairperson, the member is responsible for ensuring that the proxy attends the Meeting and is aware of the member's voting intentions. If a member wishes a proxy to make any comments on the member's behalf, the member will need to appoint someone other than the Chairperson and give them the relevant instructions directly.
- 9 Every member who (being an individual) is present in person or (being a corporation) is present by a duly authorised representative (not being himself a member entitled to vote), shall on a show of hands have one vote and on a poll every member present in person or by proxy or (being a corporation) by a duly authorised representative shall have one vote for each share of which he is the holder. A resolution is passed either (i) on a show of hands by a majority of in excess of 50 per cent of such members as are present and voting; or (ii) on a poll of members of the Company holding in excess of 50 per cent of the voting rights attributable to the shares held by the member or members present and voting at the relevant meeting. A "special resolution" is passed either (i) on a show of hands by a majority of not less than 75 per cent of such members as are present and voting at the relevant meeting; or (ii) on a poll of members of the Company holding not less than 75 per cent of the voting rights attributable to the shares held by the member or members present and voting at the relevant meeting.
 - 10 Pursuant to Regulation 22(1) of the Uncertificated Securities Regulations 2006 of the Isle of Man (SD No. 743/06), the Company has specified that only those members registered on the register of members of the Company at 6.30 p.m. local time (9.00 a.m. (GMT)) 13 February 2018 shall be entitled to attend and vote at the Meeting in respect of the number of shares registered in their name at that time. Changes to the Company's register of members after this time shall be disregarded in determining the rights of any person to attend and vote at the Meeting. If the Meeting is adjourned, only those members entered in the Company's register of members 48 hours before the time and date of the adjourned meeting shall be entitled to attend and vote at the adjourned meeting.
 - 11 Where a corporation is to be represented at the Meeting by a corporate representative, such corporation must deposit a certified copy of the resolution of its directors or other governing body authorising the appointment of the representative at the Company's registered office address not less than 48 hours before the time appointed for the Meeting.
 - 12 A member which is a corporation is entitled to appoint one or more corporate representatives to exercise the same powers on behalf of the corporation as the corporation could exercise if it were an individual member. If a member who is a corporation appoints more than one corporate representative in relation to the Meeting, each representative must exercise the rights attached to a different share or shares held by that member.
 - 13 If the Chairperson, as a result of any proxy appointments, is given discretion as to how the votes the subject of those proxies are cast and the voting rights in respect of those discretionary proxies, when added to the interests in the Company's securities already held by the Chairperson, result in the Chairperson holding such number of voting rights that he has a notifiable obligation under the Disclosure Guidance and Transparency Rules published by the Financial Conduct Authority, the Chairperson will make the necessary notifications to the Company and the Financial Conduct Authority. As a result, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chairperson a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make a separate notification to the Company and the Financial Conduct Authority.
 - 14 As at 22 January 2018, being the last practicable date prior to the printing of this notice, the Company's issued share capital consisted of 333,258,252 Ordinary Shares carrying one vote each. Therefore, the total number of voting rights in the Company as at 22 January 2018, are 333,258,252.
 - 15 Copies of the service agreements and letters of appointment between the Company and its Directors and copy of the proposed new Articles of Association of the Company with copy of the existing Memorandum and Articles of Association marked to show the changes being proposed in Resolution 6 will be available for inspection at the registered office of the Company during usual business hours on any weekday (Saturdays,

Petro Matad Limited
(Isle of Man Company 001483V)

Sundays and Bank Holidays excluded) until the date of the Meeting and also on the date and at the place of the Meeting from 12.00 p.m. local time (4.00a.m. GMT).

- 16 You may not use any electronic communication (within the meaning of the Isle of Man Electronic Transactions Act 2000) provided in this notice or in any related documents to communicate with the Company for any purposes other than those expressly stated.
- 17 Your personal data includes all data provided by you, or on your behalf, which relates to you as a shareholder, including your name and contact details, the votes you cast and your reference number (as attributed to you by the Company or its registrars). The Company determines the purposes for which, and the manner in which, your personal data is to be processed. The Company and any third party to which it discloses the data (including the Company's registrars) may process your personal data for the purposes of compiling and updating the Company's records, fulfilling its legal obligations and processing the shareholder rights you exercise.
